## We Care About Wounds

Since our foundation in 1963, we've been meeting the needs of the healthcare industry in more than 60 countries in total, as well as being the first manufacturer in Turkey for the production of many wound care products from casting tape to waterproof dressings.

We proudly are the only Turkish origin wound care manufacturer to be **FDA** registered in the USA. We're dedicated to innovative healthcare research and ever-evolving industry knowledge, continuously benefiting from up to date manufacturing technology.

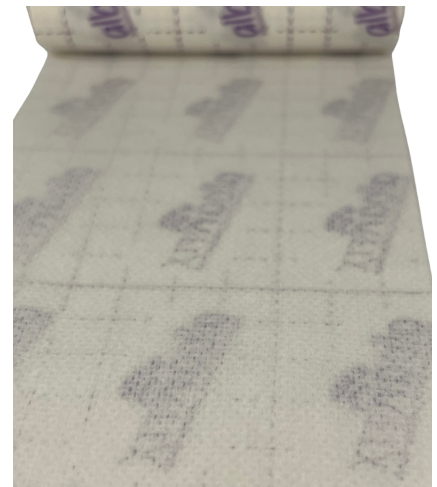

Our wide range of wound care products are manufactured from highest quality materials and world-class manufacturing technology in Uşak, Turkey. Turkey's weaving heritage and expertise is globally acclaimed, with the Inner Aegean region being world-renowned for it's quality in cotton manufacturing, weaving industry and craftsmanship products.

So whether you are a medical professional or a caring parent, you can always be safe, you can always feel safe knowing you're using the absolute best for wound care.
